

Bringing Kids and Books Together

## Books or Book Drive Donation Form

Thank you for your interest in donating new or gently used children's and teen's books to Book'em. We will be sure to give them to deserving children and teens. It is a big help to us if you can deliver the books. However, if you need someone to pick them up, please call Morgan Castillo or Melissa Spradlin 255-1820 and we will work something out.
